The [European Public Prosecutor's Office \(EPPO\)](#), the independent public prosecution office of the European Union, is seeking applications for the position of Senior IT Officer – Infrastructure Architect.

The EPPO is a new and fast-growing EU body responsible for investigating, prosecuting and bringing to judgment crimes against the financial interests of the EU. If you are interested in being part of a dynamic multicultural organisation, check out [our website](#) where you will find more information about career opportunities at the EPPO, and living and working in Luxembourg.

1. THE ROLE

As a member of Digital Ecosystems Support Sector (DESS) within the Digital Services Unit, you will play a key role in consolidating and enhancing the existing infrastructure, while leading initiatives aimed at developing new services and fostering innovation.

The EPPO Digital Environment:

The EPPO's Digital environment is composed of two main domains: Operational and Administrative.

- From an operational perspective, the Case Management Ecosystem is the core business system of the EPPO, allowing European Prosecutors and EPPO case analysts to perform all the casework and analysis related functions, at every stage of the case lifecycle, from initiation to investigation, prosecution and closure.
- From an administrative perspective, there are all the supporting digital services (and their underlying infrastructure and systems), used daily by all EPPO staff.

About the Digital Ecosystems Support Sector (DESS):

The DESS is on one side responsible for the setup, daily operational support and security of the underlying infrastructure supporting all EPPO IT Systems. On the other side, it provides subject matter expertise on technical projects and further develops EPPO's digital landscape.

It is multidisciplinary Sector with different technical profiles – application, database, security, network and systems.

The sector provides support to IT systems during EPPO's extended business hours (08:00 – 19:00) and is on-call outside of these hours when needed.

2. YOUR TASKS AND RESPONSIBILITIES

Reporting to the Head of DESS, you as Senior IT Officer – Infrastructure Architect will be in close contact with the business representatives and user groups, collecting requests and translating them into infrastructure requirement statements and design. Additionally, you will take part to the maintenance, improvement and lifecycle planning of the overall infrastructure.

Your tasks will include, but not be limited to, the following:

Infrastructure assessment and architecture design:

- a. Assess infrastructure and operational needs and recommend appropriate architecture solutions;
- b. Conduct and lead infrastructure design, evaluation, selection and implementation of software and hardware components of infrastructure including security requirements;
- c. Ensure that documentation of the overall EPPO infrastructure is up to date and plan its required evolution (including capacity and performance evaluation and planning).

Operational efficiency and innovation:

- d. Steer infrastructure operations and development towards efficiency (cost, resources and time) by regularly recommending and implementing process changes to improve infrastructure management and architecture practices;
- e. Foster innovation by evaluating new technologies and integrating them in the existing infrastructure.

Technical leadership:

- f. Define and elaborate technical requirements and specifications;
- g. Operate EPPO IT services according to agreed service levels, ITSM best practices, internal policies and procedures;
- h. Submit proposals to initiate technical infrastructure projects and be the subject matter expert in those projects where required;
- i. Provide 3rd level of support, where required.
- j. Participate in on-call standby shifts outside standard working hours according to the schedule.

Stakeholder Coordination

- k. Engage with business representatives and user groups to gather functional requirements and translate them into infrastructure design statements;
- l. Coordinate with external suppliers and service providers for planning activities, review deliverables and monitor the implementation tasks.

3. BASIC ELIGIBILITY REQUIREMENTS

To be considered eligible, you must satisfy each of the following basic eligibility requirements by the application's closing date:

GENERAL/COMMON REQUIREMENTS²

- be a national of one of the Member States of the Union and enjoy full rights as a citizen;
- have fulfilled any obligations imposed by the laws concerning military service;
- produce the appropriate character references as to the suitability for the performance of your duties³;
- be physically fit to perform your duties⁴; and
- produce evidence of a thorough knowledge of one of the official languages of the EU⁵ and of a satisfactory knowledge of another official language of the EU, to the extent necessary for the performance of your duties.

EXTERNAL APPLICANTS

² Mandatory criteria for the engagement of temporary staff as laid down in Article 12(2) of the CEOS

³ If successful, you will be asked to provide, prior to recruitment, a formal certificate confirming the absence of any criminal record from pertinent authorities.

⁴ Prior to recruitment, the successful candidate will be examined by one of the Institutions' medical centres to confirm that the requirements of Article 12 (2) (d) of the Conditions of Employment of Other Servants of the EU are met.

⁵ The official languages of the European Union: Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovene, Spanish and Swedish.

A level of education which corresponds to **either**:

- a level of education which corresponds to completed university studies attested by a diploma when the normal period of university education is **four (4) years** or more, and, after having obtained the diploma, at least **6 (six) years** of appropriate professional experience; **or**
- a level of education which corresponds to completed university studies attested by a diploma, when the normal period of university education is **three (3) years** or more, and, after having obtained the diploma, at least **7 (seven) years** of appropriate professional experience.

INTERNAL APPLICANTS

- You are temporary staff 2(f) who, on the closing date for applications and on the day of filling the post, is engaged within the EPPO in the function group and grade belonging to the grade bracket indicated above (AD 5 - AD 7);
- You are employed in a full time job⁶;
- You have completed the probationary period successfully.

INTER-AGENCY APPLICANTS

- You are temporary agent 2(f) who, both on the closing date for applications and on the day of filling the vacant post, are employed within your current agency or institution in a grade and function group corresponding to the published function group and grade (AD 5 – AD 7);
- You have at least 2 (two) years` service within your current agency or institution before moving. Any decision derogating from that principle shall be taken jointly by the two agencies/institution concerned, having regard to the interest of the service of both agencies/institution;
- You have successfully completed the probationary period provided for in the Article 14 of the CEOS, in the relevant function group.

⁶ Note: the requirement is related to the post and not to the time arrangements (a staff member may work part-time but be employed on a full time post)

4. SELECTION CRITERIA

The following experience and competencies will be assessed throughout the different phases of the selection procedure.

Please note:

All essential criteria are mandatory, meaning that no application will be considered further if a candidate does not fulfil all of the essential criteria.

You must provide specific examples of how you meet both the essential and advantageous requirements in the application form.

- **Essential:**

- At least 5 (five) years of proven experience in designing and implementing secure IT solutions, with focus on delivering the infrastructure architecture (datacentre, systems, storage, cloud, security, network);
- Proven experience in leading the end-to-end design and implementation of an enterprise infrastructure solution;
- Proven experience with enterprise technology frameworks and methodologies, system integration and architecture governance;
- Proven experience with cloud computing and virtualization technologies;
- Excellent knowledge of English, both written and spoken, at least at level C1⁴; *English, being the working language of the EPPO, will be used during the selection process.*

- **Advantageous:**

- Specific knowledge in designing or operating solutions based on HCI technologies (e.g., Nutanix), software defined network solutions and/or security solutions (e.g., F5, FortiGate);
- Solid understanding of IT infrastructure management, infrastructure performance/costs analysis and optimisation;
- Proven experience in the adoption and implementation of new (cutting edge) technologies;
- Architect level certification on at least one technical domain (e.g.: Cisco, VMware, Azure, Nutanix, AWS etc.).

- **Interpersonal skills:**

- a) Excellent planning and organisational skills: strong ability to organise and prioritise, focusing on results, on accuracy and attention to details;
- b) Ability to work independently and effectively as well as a part of a multi-cultural team;
- c) Resilience to stress, ability to perform multiple tasks under tight deadlines, work on several projects simultaneously in a rapidly evolving work environment, ensuring that deadlines and quality standards are met;
- d) Strong analytical, problem-solving and troubleshooting skills;
- e) Excellent communications skills, including the ability to produce clear and concise memos, providing technical explanations and present recommendations and status reports;
- f) Strong leadership skills, proactive work approach and service-oriented attitude;
- g) Ability to think creatively, take initiatives, responsibility and willingness to propose new innovative solutions.

5. YOUR SALARY AND BENEFITS

For external selection

Successful candidate(s) may be offered a contract as a temporary agent of the type 2(f) in accordance with the Conditions of Employment of Other Servants of the European Union (CEOS) for an initial period of three (3) years, which may be renewed for an indefinite period.

Successful candidate(s) who will be offered a contract of employment will, on their entry into service, be placed on Step 1 or Step 2 of the Function Group AD, Grade 7, depending on the length of the professional experience. The basic monthly salary for Function Group AD, Grade 7 is currently € 7.559,72 (Step 1).

For internal and inter-agency selection

You will be assigned by the Authority Authorised to Conclude Contracts of employment ('Administrative Director') from the reserve list, depending on operational requirements.

For reasons related to EPPO's operational requirements, once you receive the assignment offer, you may be required to confirm the acceptance of the offer in a short time, and be available to start the contract at short notice as agreed with your present line manager.

The successful applicant will be assigned to the new post according to the assignment decision without an impact on your current contract (with the amendment to the employment contract, if applicable).

In addition to the basic salary, the following benefits might apply:

- Additional specific allowances (e.g. expatriation, household, dependent child, installation), depending on the individual's family situation and the place of origin;
- Flexible work arrangements – hybrid work regime, such as flexible working hours, teleworking;
- Part-time work regime;
- Training and development opportunities;
- Annual leave entitlement of at least 24 days;
- Maternity/paternity leave and parental leave under certain conditions;
- Sickness and Unemployment Insurance Scheme enabling access to care worldwide;
- EU Civil Service Pension rights after 10 years of service;
- Opportunities for management career development in the EU Public Service.

The salary is subject to a Community tax deducted at source and staff members are exempt from national taxation.

The [details](#) of the whole remuneration package are provided in Articles 62-70 and Annex VII Annex VII to the Staff Regulations of Officials of the European Union.

Annex to the Vacancy Notice

1. Application procedure

Please refer to the job description under `Your tasks and responsibilities` for detailed application instructions.

- **Eligibility:** Candidates are required to carefully check, in advance of submitting an application, whether they meet all the eligibility criteria depending on the type of selection: external, internal or inter-agency – particularly concerning the required types of diplomas and professional experience, their linguistic abilities as well as type and grade of contract.
- **Security clearance:** The candidate must either be a holder of a valid security clearance up to the level of "SECRET UE/EU SECRET" or be willing to undergo the national security vetting procedure (in order to be allowed to perform the job).
- **Language:** English is the working language for operational and administrative activities of the EPPO, as established in the Decision 002/2020 of the College of the EPPO of 30 September 2020 on Internal Language Arrangements.

All applications must be in English. The interview will be held in English and other required language, if applicable.

- **Application form:** Applications not sent using the EPPO application form will be disqualified and treated as non-eligible, as will incomplete and/or not readable applications and not sent in PDF format.
- **Professional experience(FOR EXTERNAL SELECTION):**
Any given period may be counted only once (in order to be calculated as eligible, years of studies or professional experience to be taken into account shall not overlap with other periods of studies or professional experience, e.g. if the applicant had a full-time job and did freelance consultancy work in the evenings and weekends, the days spent on the latter will not be added to the period).

Part-time work experience will be counted in proportion to the percentage of full-time hours worked; therefore, candidates are requested to indicate the percentage of part-time employment.

Compulsory military service or equivalent civilian service accomplished after

achieving the minimum qualification stated above shall be taken into consideration as professional experience if official documentation is provided.

Free-lance or self-employed applicants must provide either a practicing certificate (or equivalent), or a copy of the entry in the relevant trade register, or any other official document (for example a tax document) showing clearly the length of the relevant professional experience.

- **Education (FOR EXTERNAL SELECTION):**

Only qualifications awarded in EU Member States or subject to equivalence certificates issued by the authorities in the EU Member States will be taken into consideration. Candidates holding lower level diplomas from outside the EU (e.g. Bachelor's Degrees) along higher-level diplomas from an EU Member State University (e.g. Masters' Degrees), may not need recognition for their lower level diploma(s).

UK diplomas granted before 31/12/2020 may also be recognized without equivalence.

For diplomas awarded in non-EU countries, a NARIC recognition is required.

PhDs may be counted as professional experience only for candidates having received a study grant or salary throughout the length of their PhD program, with a maximum length of recognition equalling three years, and provided that the program has been successfully concluded by the closing date for applications.

- **Supporting documents:** e.g. certified copies of degrees/diplomas, references, proof of experience, etc. should not be sent at this stage, but must be submitted at a later stage of the procedure upon request of the EPPO.
- **Application deadline:** The EPPO will disregard any application sent after the deadline. Applicants are strongly advised not to wait until the last day to submit their applications, since heavy internet traffic or a fault with the internet connection could lead to difficulties in submission. The EPPO cannot be held responsible for any delay due to such difficulties.

Please note: Due to the high number of applications received in each selection procedure, only candidates shortlisted for interview will be contacted. All candidates will be informed when a procedure is closed.

2. Selection procedure

1. **Assessment of application:** The applications are assessed by a Selection Board against the related eligibility requirements and the selection criteria.

- 2. Job interviews and written tests:** The most suitable candidates, up to maximum number of 12 (twelve), are invited for an interview with the Selection Board and for a written test who best correspond to the profile sought and on condition that they have achieved a score of at least 60% during the evaluation of applications. They may be invited to an assessment centre, as well, if applicable.

The EPPO is committed to providing access to all persons with disabilities and will provide necessary and reasonable accommodations to enable everyone to participate in its selection processes. If you require specific equipment or support, please let us know via email at EU-EPPO-RECRUITMENT@ec.europa.eu.

- 3. Reserve list:**

The Selection Board proposes, to the Administrative Director, a list of adequately skilled candidates to be included on a reserve list (talent pool) who most correspond to the profile sought and who receive at least 60% of the maximum points of the combined interview and written test.

Candidates placed on the reserve list may be considered for a position within either the EPPO or, after eventual agreement by the EPPO, one of the EU Agency.

- 4. Second job interview:** In line with the applicable rules, candidates on the reserve list may be invited for a second interview with the Administrative Director.

In accordance with Articles 11 and 11a of the Staff Regulations (SR) and Article 11 of the Conditions of Employment of Other Servants of the European Union (CEOS), **the appointed candidate is required to make a declaration of interests** before the recruitment.

The EPPO Appointing Authority will examine whether the successful candidate has any personal interest which may impair their independence or any other conflict of interest in relation to the position offered, and will adopt appropriate measures accordingly.

All applications are treated fairly. Applicants will be assessed on the basis of their qualifications and in strict compliance with the principle of equal opportunities in order to make the best possible match between the profile of the candidate and the requirements of the job.

Under no circumstances should candidates contact the Selection Board, directly or indirectly, concerning this selection procedure. The Appointing Authority reserves the right to disqualify any

candidate who would disregard this instruction.

3. Equal opportunities

The EPPO applies a policy of equal opportunities and accepts applications without discrimination on any grounds such as sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation.

4. Privacy Notice

The EPPO processes the personal data submitted by the applicants as part of the application form, in any submitted supporting document at any stage in the selection and recruitment process, and communication related thereto. The purpose of this processing operation is to assess the suitability of candidates for a position at the EPPO and to administer the documentation related to the selection and/or recruitment. This includes also the processing of the submitted data for related administrative aspects, such as e.g. financial reimbursements, calculation of entitlements, etc.

During this processing, the personal data will be made available to selected staff working in Human Resources, Finance & Procurement, and in case of appeals or complaints, the Legal Service. Further, it will be made accessible to the members of the Selection Board, the Appointing Authority and respective supporting staff. Lastly, it may also be shared with other parties in the context and purpose of audits, inspections and internal investigations, be they internal or by supervisory authorities.

The personal data collected for this purpose will be stored for no longer than three (3) years following the financial discharge for the year in which the recruitment was finalised, in order to comply with audit obligations, unless ongoing legal proceedings, investigations or audits require their continued storage. Where the process led to employment of a candidate, some of the documentation and personal data contained therein will be carried over into the personnel file and subject to the regime applicable thereto.

The processing is necessary to select and recruit candidates suitable to cover the vacancies of the EPPO and to therefore enable it to perform its tasks. The legal basis being implemented and binding on the EPPO's selection and recruitment process are the Staff Regulations of Officials and the Conditions of Employment of Other Servants of the European Union and their implementing rules. The applicable legal framework for data protection purposes for this processing of administrative personal data is Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 ([OJ L 295 of 21.11.2018](#)).
